NOTE: Contributions made to the Association are not deductible as a charitable expense, but may be deducted as a business expense. The Budget Revenue Reconciliation Act of 1993 specifies that any dues revenue utilized by a professional or trade association for lobbying purposes cannot be deducted by the member who paid the dues. MPA calculates that 70% of the dues paid by each member is deductible as an ordinary business expense for federal tax purposes. Please provide a copy of this notice to your tax preparer.
