

Since its establishment in 1890, the Montana Pharmacy Association has been the leading advocate and voice in representing the interest of pharmacy professionals across the Big Sky. MPA's membership covers the entire spectrum of pharmacy practice settings and includes student pharmacists and pharmacy technicians. The Association's vision is echoed by all MPA members: A unified pharmacy profession, recognized as preeminent in patient care.

### **More on MPA**

This site exists for the purpose of uniting and informing Montana Pharmacy Professionals in all categories. By creating a pharmacy network on the web, it allows us to become a more powerful voice. Please take the time to look around and utilize the services that we offer.

Below are highlights of our many member services. If you are a pharmacist in Montana and not yet a member of MPA, please visit our **JOIN** page on this website. If you have questions, call our Association office at **406-449-3843** or e-mail us at [info@rxmt.org](mailto:info@rxmt.org).
