

**ACPE Approval:** Attendance at all sessions will provide 10.75 contact hours for pharmacists and 6.75 contact hours for pharmacy technicians although learning objectives may vary on some presentations.

**The overall learning objectives of the conference are:**

1. To provide evidence-based information / education and emerging practices in the field of pharmacology that enhances professional knowledge, and
2. To provide up-to-date information in pharmaceutical health care that professionals can share with clients.

**CE Info:** Skaggs School of Pharmacy at the University of Montana is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This knowledge & application-based program is targeted to pharmacists and pharmacy technicians. Presentations listed in this program have been approved for ACPE continuing education credit as indicated.

**How do I receive my CE credits?** You will receive a verification code at the end of every lecture you have attended, and the code will be needed to complete an online evaluation and verify your attendance. The MPA office will send registered attendees an email within a week from conference completion, that includes a website link to complete the evaluation and provide your NABP information. Upon successful completion of the online evaluation and CE lecture verification, the credits will be uploaded to CPE Monitor within 60 days from conference completion.

**Disclosure of Potential Conflicts of Interest:** Skaggs School of Pharmacy at the University of Montana did not receive payment or services from a third party for any aspect of this activity and has no relationships (financial or other) with entities or activities that could be perceived to influence or that give the appearance of potentially influencing any portion of this activity. CE contact info: 406-243-4137 or [pharmacy.ce@umontana.edu](mailto:pharmacy.ce@umontana.edu).
