

Improving Outcomes and Access to Care in Montana with Pharmacists on the Team

November 13, 2020

Questions to Run On

What challenges and opportunities have you heard that you are most concerned or optimistic about?

What have you heard that can be applied to your work?

What requests do you have for the group? What could you share with others?

Commitment to Action

What will you commit to doing when you go back to work? Who will you follow-up with?
