

WINTER CE 2018

Big Sky, MT January 5-7

learn ski network spa educate revitalize

Presentations include topics for a variety of pharmacy practices - health systems, community, ambulatory, managed care, and more.

Sessions provide up-to-date evidence-based information as well as trends and regulatory/licensing updates within the industry. See the complete agenda and learning objectives on the following pages.

ACPE Approval: Attendance at all sessions will provide **14.5 hours of CE** for pharmacists and technicians although learning objectives may vary on some presentations. The overall learning objectives of the conference are:

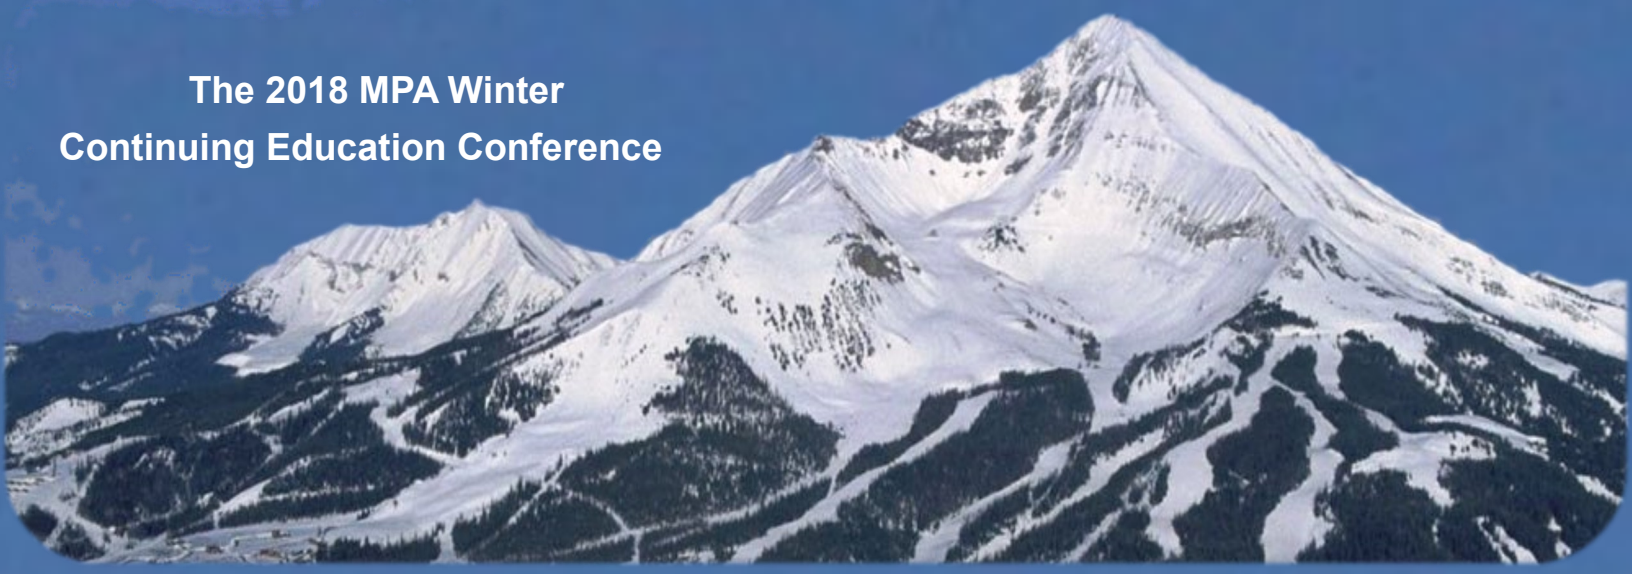

1. To provide evidence-based information/education and emerging practices in the field of pharmacology that enhances professional knowledge
2. To provide up-to-date information in pharmaceutical health care that professionals can share with clients

Vendor Fair Friday night 4:30 - 6:00pm. This a prime time to visit with the exhibitors and learn about the newest services and supplies that are now available. Vendors will be onsite Saturday through lunch.

Awards Banquet 6:00 - 7:30 pm Friday evening. We will honor the 2018 award recipients - Pharmacy Technician of the Year, Distinguished Young Pharmacist, Fitzgerald Pharmacist of the Year, Excellence in Innovation, Generation Rx Champions, and Bowl of Hygeia.

The 2018 MPA Winter
Continuing Education Conference

Tentative Agenda & Learning Objectives

Please note: Objectives as they apply for pharmacist and pharmacy technician learning are designated with a P and/or a T at the end of each objective.
